ASSYSTEM Confirmed as E2S Preferred Supplier for EADS

Paris - On 6 July 2010, Airbus released the first results of the preferred supplier reviews for the engineering services sector and has confirmed the Assystem Group as one of them.

Each year, the E2S steering committee of EADS selects the E2S preferred suppliers based on a stringent selection process; the criteria ranging from transnational presence, strategy and company portfolio to technical know-how, quality and commercial aspects.

ASSYSTEM has been a supplier to EADS for many years. Presently in engineering, Assystem teams support nearly every EADS entity in the North and South of Germany.
