

PRESS RELEASE

Atena moves to Helicopter Technology Park

Eurocopter reached the next milestone with the completion of the Cooperation Centre with future-oriented development of the helicopter industrial location Donauwoerth. In the Cooperation Centre will be resident all suppliers by Eurocopter. Atena moves with ASSYSTEM Aerospace Germany on July 11, 2008 to the new office space on the 3rd floor.

Providing a facility which is close to the customer has always been a priority for Atena. The new office in the Cooperation Centre gives us the opportunity to work closely together with our customer and other engineering companies in the area of Donauwoerth.

At our new facility in Donauwoerth our highly qualified engineers will support in the field of design, qualification, quality management and documentation with development expertise, innovation capabilities as well as motivation and service orientation. The Donauwoerth engineering team offers the support of the customer locally, with the access to the capacities of the ASSYSTEM Group which has over 9,000 employees located in 19 countries world wide.
